

TOWNSHIP OF MANSFIELD

Mayor's Message

To all Mansfield Township citizens,

As you may or may not know, the first Corona Virus case was confirmed in Mansfield Township on Tuesday. The resident returned from overseas, was diagnosed, and is quarantined with no outside contact upon returning home. He is expected to make a full recovery.

I want to take this opportunity to reach out to let everyone know that my first interest is your health and to make sure we are all safe. We have been proactive from the beginning. On Monday we closed the municipal building, but remain fully staffed. Employees can be reached by phone or email. At this time, all departments within the Township are working to ensure that all vital information received is being communicated through the Township website, Twitter, Police Facebook, and OEM Facebook. The parks are closed and rec sports have been cancelled until further notice. These are trying times and the most difficult is the unknown, but know that we are in constant contact with all emergency agencies.

Our OEM (Office of Emergency Management) has coordinated special hours for seniors and the vulnerable with Walmart so far to shop on Tuesdays from 6 am to 7 am. For assistance in shopping for food or other necessities, seniors can contact the Township office at 908-689-6151 Ext. 100 or by email at info@mansfieldtownship-nj.gov.

We want you to know we are doing everything in our power to keep our residents safe and are in constant contact with the county, OEM, and fire departments in regards to our senior citizens to make sure their needs are being addressed.

On behalf of the Mansfield Township Committee, I would like to thank everyone for all their cooperation with social distancing and self-quarantine. We would also like to thank those in the community who are doing their share in helping us through this situation by reaching out to the elderly and those in need.

During these uncertain times, we need to come together as a community and know that we are Mansfield strong. We will weather this all together as one.

Stay healthy and well,

Mayor Joseph Watters

100 Port Murray Road, Port Murray, NJ 07865
